- "Ragging" means doing an act which cause or is likely to cause insult or annoyance or fear or apprehension or threat or intimidation or outrage of modesty or injury to a student.

- The Court directed the exploration of possibility of introducing in the educational curriculum, a subject relating to ragging;
- In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution;
- The Central Government and the State Government shall launch a programme giving wide publicity to the menace of ragging and the consequences which follow in case any student is detected to have been involved in ragging;
- Role of the concerned institution shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken against them too;
- Anti-ragging Committees and squads shall be forthwith formed by the institutions to see that the Committee's recommendations are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court; and

# WOMEN'S RIGHTS AND RESPONSIBILITIES

Mrs. Shivarathna S  
Police Inspector  
Special Investigation Team  
Karnataka Lokayukta  
Organized by Human Rights,  
Anti-ragging and Sexual-Harassment Forum-5.2.2020

Women's rights and responsibilities include both legislative part and the current issues around the world. Being aware and creating awareness about women's rights makes the women confident. Some of the common problems which women face in their daily life are gender inequality, sexual harassment, violence, adverse working conditions and dowry harassment.

Women should have some basic knowledge about their rights so that they would not only be able to protect themselves but also they can spread awareness among others:

- ✓ In the case of any sexual harassment case, the identity of that woman should not be revealed to the media,
- ✓ Women cannot be arrested after sunset and before sunrise according to penal procedure code,
- ✓ Women can also send in their complaints through e-mail, Tweeter, WhatsApp, etc.
- ✓ Women can also file Zero-FIR complaint in any police station (legal right),
- ✓ In Armed Forces also similar women rights exist.
- ✓ In the workplace, both in public and private sector, there should be an internal committee where the majority

members should be women to inquire sexual harassment cases. The committee shall complete its findings within a time-limit of 90 days.

In India, the contribution of women in our country's development is very high and Government is also providing 33% reservations in certain electoral bodies like Panchayats.

Today the social media is also creating awareness about the Suraksha-App wherein the police will reach in 3-5 minutes to the women who are in danger.

The participation of women should be stronger so that they can fight for their rights. As nearly half of India population is women, there is also a responsibility on the women to bring about social change, to greatly eliminate cases of discrimination. Mrs. Shivarathna S. is an alumna of SJRCW 2002 Batch. Recently she also passed her KAS exam.

## Anti-Ragging & Anti -Sexual Harassment Cell Report on webinar "Say no to Ragging"

On 27/07/2021 the Anti-Ragging & Anti -Sexual Harassment cell organised a webinar on "Say no to Ragging", Ms.Saniya Sabahath Assistant Professor Department of English was the moderator for the webinar.

Mr.NanjappaKalegowda, Advocate, President, Karnataka State Legal Cell, AAP was the Guest speaker for the webinar. Mrs. Rashmi A coordinator, Anti Ragging & Anti Sexual Harassment Cell welcomed the guest and the gathering. Mrs.Roopu, HOD, Department of Kannada, introduced the guest speaker.

The guest speaker Mr. Nanjappa Kalegowda briefed about the concept of ragging by specifying it's from the western country it has started. Ragging can be mostly observed with 18-21 years of age group students. Harassment is either physical or verbal, the same can be termed as ragging. There can be many kinds of ragging seen based on senior junior, mental torture, based on clothes etc.

He also specified that in the present era ragging has been reduced compared to the past and ragging or harassment has been banned by the institutions based on the introduction of guidelines and rules framed by UGC. Sir also made a clear concept on the punishment that is been given to the person one who does ragging that can be from 6 months to 10 years based on the type of ragging.

The guest speaker highlighted on the sexual harassment by specifying that mostly girls are responsible for this as it also depends on the girls behaviour, their dresscode, body language, friendship. The future of children is also in the hands of parents where parents play major role in up bringing the child with ethical, cultural, social and moral values.

The speaker also mentioned the reasons for ragging such as parents are also responsible as they spoil the child by paying more pocket money which is unnecessary, this may have an affect on the negative behaviour of child, the qualification of teachers or lecturers in the educational institutions, the rapport between the student and teacher, the friends circle, few of the students may also dropout the education as they cannot overcome ragging or sexual harassment, this can be a reason for dropout in education.

With this sir also briefed the measures that can be taken for avoiding ragging such as, educational institutions should conduct orientation programs based on ragging, giving correct education, taking care of children, making them aware about the cells in the college so that any such ragging or harassment is done the child can approach the cell and complain about it.

At last, the speaker stressed about the concept that now a days ragging is reduced as every student is given importance to education, there is less time when compared to earlier days, up gradation of technology has made every individual busy and every person is busy with electronic gadgets. UGC and the law has implemented many measures and provided guidelines to stop ragging, each educational institutions have abide by the rules of UGC and implemented with the anti-ragging and anti-sexual harassment cell which is also helpful in creating awareness in the students and this also helps in reducing the ragging or sexual harassment in the campus.

Later the program had a question answer session in which a few participants asked the questions and they were answered by the guests, with this few of the doubts were also cleared which were from participants.

Dr.PremaSiddaraju, Principal, SJR College for Women, presided over the webinar. Ms. Saniya Sabahath concluded the webinar with a vote of thanks.

The College has a healthy mix of all classes and categories and caters to the educational needs of young women at an affordable cost.

Established in the year 1988 by SJR Education Society (SJRES) as a PU College, the foundation stone was laid in 1990 for the Degree College. Since then the college has come a long way to celebrate its Silver Jubilee in the year 2015. The college has walked many a mile, built brick by brick as envisioned by former President, Prof. M Shadaksharaswamy, an academician and administrator par excellence. Late Prof. Sharadamma, Founder Principal and Director of Studies had been the guiding force whose spirit of service is upheld in all the activities of the college, even today. President Prof. Uday Shankar and the Board of Executive Committee members have been very crucial in the metamorphosis of the college and are instrumental for acquiring social accreditation. Since its inception, the college has seen distinguished management members, Academic Principals and dedicated faculty who have contributed for the reach, popularity and success that this college enjoys today.

The hallmarks of SJRCW are loyalty and whole hearted commitment to the mission of moulding, chiselling and building the capacities of young women. This college has enabled its students to distinguish themselves in various fields of Humanities, Commerce and Science. SJRCW is affiliated to the Bangalore University and is recognised by the UGC under Section 2(f) and Section 12(B) in the year 2002. Though the college is a private and self financing college, it has successfully and voluntarily completed two cycles of accreditation by the NAAC.
