#### 1. Nature Club-Prithvi

- State Level Online Essay Competition on "Eco Friendly Ganesha" on 18-08-2020 to 24-08-2020

SJR College for Women  
Nature Club Committee -2020  
Report on Essay Competition

Ganesha Chaturthi is one of the most prominent festivals of India. People of India wait the whole year for this festival eagerly. Although it is celebrated all over the country, in the state of Maharashtra it is celebrated with the most enthusiasm. When Ganesha Chaturthi is just around the corner and like every other year, water and air pollution will go up in many parts of our country as hundreds of thousands of people will gather to immerse Ganapati idols into the water bodies. Since the idols are made from Plaster of Paris these are non-biodegradable naturally and so these continue to float on the water for a long time thereby choking the water bodies and adversely impacting aquatic ecosystem. Adding to the problem, the idols are often decorated with paints heavy on lead and mercury which adds to the ongoing process of destroying the flora and fauna of the water body.

On this occasion of Ganesha Chaturthi to create awareness on pollution caused by Plaster of Paris of Ganesha idol at the time of visarjan state level essay Competition on "Eco Friendly Ganesha" was held on 18/8/2020 to 24/8/2020.

The list of participants those who won the essay competition was as follows:

Nature Club Committee

**REPORT ON INTERCOLLEGIATE VIDEO MAKING COMPETITION**

Topic: NATURE AWARENESS

Under the auspicious of Nature Club Intercollegiate online Video making Competition on “Nature Awareness” was held on 17/1/2021 on the occasion of Swami Vivekananda Youth week celebration. Students from various college all over Karnataka participated in the Competition. We received around 70 videos from the participants.

The main objective of conducting this webinar is to create awareness on maintaining nature and Environment. The nature world- land, Forest, Habitants and Ecosystems- support all life on the planet. Our food systems, nutrition and health depend biodiversity and health depend biodiversity loss. With this decline, agro biodiversity is disappearing and also essential knowledge of traditional medicine and local foods. Loss of diversity in our food systems contribute to malnutrition and unhealthy diets which are major risk factors of non communicable diseases such as heart diseases and type II diabetes.

We need to mobilise and catalyse action around our concerns on health, nutrition, and food systems and to raise awareness on how to conserve and sustainably use biodiversity for our well being. Protecting biodiversity is critical to achieving the sustainable development goals, including those related to hunger, poverty and health. By living climate friendly lifestyle and sustainable use of natural resources can help to preserve nature

Results of video making competition are as follows:

| Prize       | Name of the participants, class and college                              |

Nature club committee Report

**Report on distribution of free plant saplings for planting in and around college and among the neighboring resident of college**

On 6<sup>th</sup> August 2021 at SJR College For Women under Nature club committee in association with Jana spandana Vedike around 500 medicinal plants distribution program was organized.

“Plant a tree today for a better tomorrow.” The significance of forest cover and tree plantation cannot be stressed upon enough, and their importance has only increased in the present scenario, with global warming and climate change being very real threats to our planet and all its inhabitants. Tree plantation refers to the transplantation of saplings or sowing of seeds in order to facilitate green cover and promote afforestation. Tree plantation can be a very fulfilling and fruitful activity! Not only is it good for the environment and the earth, but it is also a way in which you can help in making the world a better and cleaner place to live in, as trees help to bring down the levels of pollution.

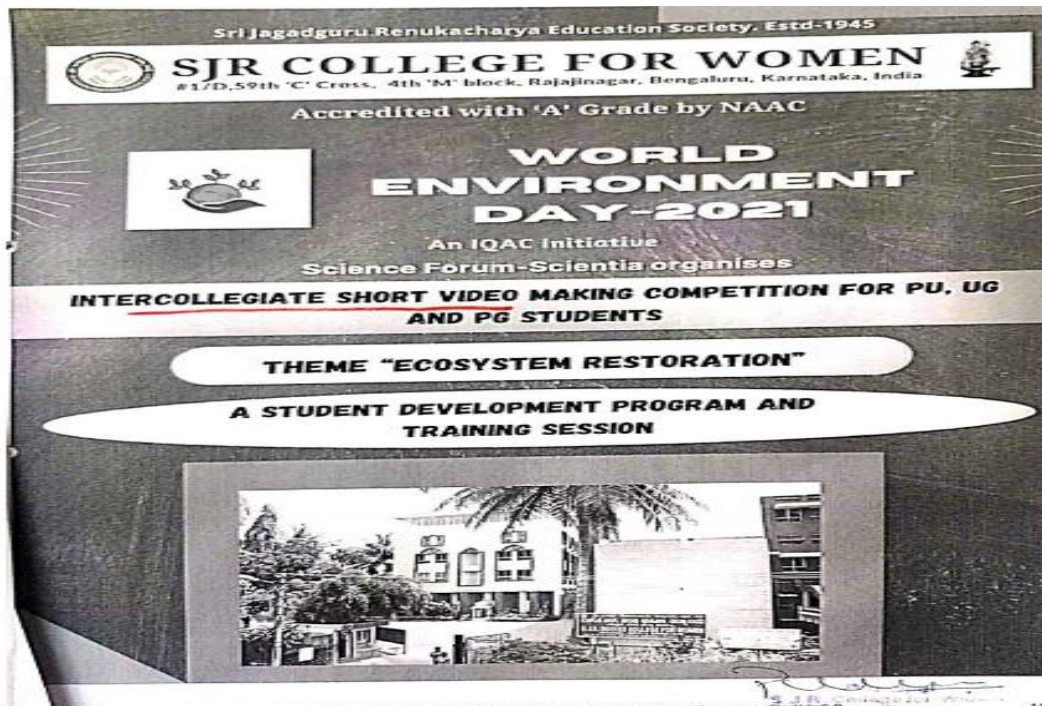

In this pandemic situation of COVID- 19. It is highly difficult to maintain good health hence it is necessary to make arrangements for the same. one such arrangements is to make medicinal plants to grow at our residence. In this view plants were distributed under the supervision of our beloved principal Dr. Prema Siddaraju madam who even gave the presidential speech on this occasion.

In association with lions club and Karunada Janaspandana in presence of president Krishna Murthy, secretary Dinesh Nayak, Treasurer Ramesh with Sanje samachar news paper reporter trees were distributed to students, faculty and also to neighbors of college.

# 1. Nature Club-Prithvi

- Plogging plastic free zone, Swachata Hi Seva, created awareness in neighbourhood on 18-10-2019

SJR College for Women, Rajajinagar, Bengaluru-560010  
Nature Club (Prithvi)

Activity 7 Swachata Hi Seva activity. – Collection of SUP. Plogging near college Campus  
Date: 18-10-2019  
Time: 1.30 pm to 3.15pm

**Report:**

**Introduction:** Plogging is a combination of jogging with picking up litter (merging the Swedish verbs plocka upp (pick up) and jogga (jog) gives the new Swedish verb plogga, from which the word plogging derives). It started as an organised activity in Sweden around 2016 and spread to other countries in 2018, following increased concern about plastic pollution. As a workout, it provides variation in body movements by adding bending, squatting and stretching to the main action of running, hiking, or walking. Erik Ahlström started plogging in the Swedish capital city, Stockholm, when he moved there from the Åre ski resort. He created the website Plogga to organise the activity and encourage volunteers.

Prime Minister Narendra Modi Launches Swachhata Hi Seva 3.0 With A Nationwide Call To Action 'Say No To Plastic'.

Nature Club at SJRCW has been creating awareness about sustainable living, and social responsibility in controlling pollution and keeping the surroundings clean.

Nature Club students along with NSS volunteers of our college actively participated in "Plogging" to keep the college surroundings clean and creating awareness in the neighbourhood. They cleaned the Park near the college and collected the plastic and paper litter in gunny bags. It was later handed over to BBMP garbage collector who collects dry waste regularly.

**Outcome:** Students realized that participating in cleanliness drive is a necessity and their social responsibility to keep environment and people healthy. Their activity was noticed by other students and neighbours who appreciated them. Students promised to keep their surroundings clean, and create awareness of the hazards of plastic litter especially SUP- Single Use Plastic. They also promised to use cloth and paper bags wherever possible.

Nature Club in-charge staff members - Gayathri M P, Chandrakala Shivakumar & Geetha V.  
NSS unit members - NSS Programme Officer Sri Harish K M, Sri Ashoka, Smt. Kavitha guided and participated in this cleanliness drive activity.

## 2. NSS

- NSS Volunteers participated in Standathon rally for CAUVERY CALLING initiated by Isha Foundation on 30-08-2019

**S.J.R. College for Women**  
**Rajajinagar, Bengaluru – 560010**  
**NSS Activity Report – 2019-20**

**Event/Activity :** Standathon rally for rivers "Cauvery Calling"  
**Initiated by :** Sri Sadhguru Jaggi Vasudev of Disha trust  
**Date :** 30-8-2019  
**Time :** 10 AM to 10:30 AM  
**Venue :** at Sri Renukacharya Circle, Rajajinagar entrance.

**Report:** Cauvery calling a standathon rally for saving rivers is initiated by Sri Sadhguru Jaggi Vasudev of Disha foundation is conducted at main circle that is Rajajinagar entrance for 30 min from 10 AM to 10:30 AM. Our all NSS volunteers, NSS Program officer Sri Harish KM, department of Chemistry, teaching staff and NSS members Smt. Shobharani R, department of Commerce, Smt. Kavitha V, department of Sociology, Dr. Paramma B Kuruvatti, P.E.D, non teaching staff Sri. Gurupadappa B Kadapatti, Sri. Narasimha Murthy P are also participated in this standathon by displaying placards of the rally to public by standing next to the main road and around the entrance circle. The main aim of this standathon is to create awareness among the public about depletion of water collection at Cauvery river basin, because of deforestation. Anyone who is interested can donate money to the foundation to help plant trees near the Cauvery basin in another two years to save rivers and to increase water collection. In this regard the foundation is has planning to arrange many programs till 2024. To create awareness from Talacauvery of Kodagu to Tamilnadu is planning to organize many rallies and public lectures. To plant and save one tree a amount of Rs. 42=00 has to be donated to the foundation. In this program all NSS units and volunteers of the Bengaluru Central University are participating.

- Plastic Ban awareness rally and created awareness among neighbouring shops by using poster and distributed around thousand paper covers to them on 04-10-2019

S.J.R. College for Women  
Rajajinagar, Bengaluru – 560010  
NSS Activity Report – 2019-20

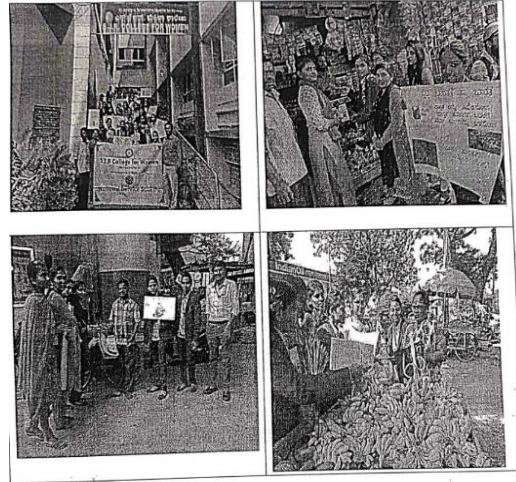

Event/Activity : Plastic ban awareness rally  
Association : Our college NSS unit  
Date : 4-10-2019  
Time : 1:30 PM  
Venue : College neighbourhood

Report: Plastic ban awareness rally conducted and created awareness among footpath vendors and neighbouring shops of our college by using posters and distributed about 1000 paper covers to the shop keepers. Posters and paper covers were made by our college NSS volunteers and actively participated in distributing it to shop keepers and footpath vendors and created awareness among them. Teaching staff & members of NSS committee Sri. Ashoka from Kannada dept, Smt. Kavitha from Sociology department and NSS program officer Sri Harish K M of Chemistry department has actively participated in the rally and creating awareness among public.

National Green Tribunal in Delhi NCR introduced a ban on disposable plastic like cutlery, bags and other plastic items amid concern over India's growing waste. The ban came into effect on January 1. The law also follows a total ban on plastic shopping bags. Therefore alternately we can use paper bags instead of plastic bags.

NSS Activity Report - 2019-20

Event/Activity : Cleanliness drive, Picking up

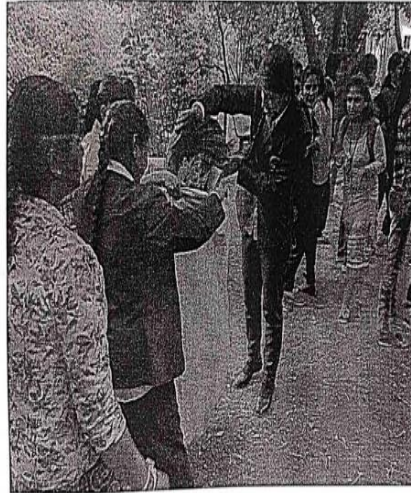

Association : Our college NSS unit

Date : 14-2-2020

Time : 1:30 PM

Venue : College neighborhood

Report: All NSS volunteers actively participated in cleanliness drive, picking up and collected plastic waste in a gunny bag in and around our college premises. Student volunteers first cleaned the neighboring park by removing plastic and paper waste etc. Then they cleaned the outside the surrounding college campus and then they cleaned inside the college campus. All collected waste were put into a big gunny bag and then it was safely given to the BBMP garbage collecting persons in the next morning. From this students will learn about importance of keeping ourselves, our house and our surroundings clean. NSS Programme officer Sri Harish K M, NSS members Sri Ashoka, Smt. Kavitha, also participated in the cleanliness drive.
